

Do you see horse abuse and want to be part of the solution?

Sponsoring a horse is a fantastic way to make a difference in the lives of one of our rescues. Your donation helps provide a SFSPCA rescue with feed, board, medical care (including dental and farrier), as well as rehabilitation work and training. Rescue horses typically have unique needs and can cost over \$11,000 a year just for one! Sponsorship packages make lovely **birthday or holiday gifts**. You can Sponsor a Rescue in **honor of a friend or in memory of a loved one**. (We will send them a personalized letter notifying them of your thoughtful gift!) And, schools and businesses can sponsor our rescues, too!

**SFSPCA is not a sanctuary. Our goal is to find permanent loving homes for as many horses as possible. We are on call to rescue horses 24 hours a day, seven days a week, 365 days a year and provide care for a large number of animals. The funds raised through this program will be used to offset the feed, board, medical, dental, farrier care and training of all the rescue horses. Due to the constant influx and adopting out of horses, the funds are not guaranteed to be applied to a specific horse. If you wish to make a one-time donation for the special needs of a specific horse, email Tanya Rocha at tanya@helpthehorses.org.*
